As a naval/commercial port, shipping movements are frequent and have priority. Failure to obey Race Committee instructions may be treated as misconduct.

By way of an example and interpretation, downloading charts, weather and/or tidal GRIB files from subscription services, or having such information passed to the boat in its pure form, is permitted but receiving messages or information which is the result of interpretation as it applies to the boat is not permitted.

Add the following to RRS 41: (e) Whilst racing a boat may retrieve data from any page of the race website details of which are provided in the Sailing Instructions, even if that page is not publicly available. During the race a boat shall not contact, or be in contact with, any person or private entity using any medium to receive private meteorological forecasts, tactical advice
